# Introduction

"How cruelly sweet are the echoes that start  
When memory plays an old tune on the heart!"

Eliza Cook

As is indicated by the Royal Stewart Tartan on our cover, our theme this year is to preserve the memory of the past year's deeds not through words but through pictures and poetry. The Scots were the first to practice the cultivation of memory — not through written words.

So, Lasses and Lads of Lincoln, come with us as we relive the year 1955-1956 in memory. We hope that you will keep in mind Robert Burn's statement:

"O wad some Pow'r the giftie gie us  
To see oursels as others see us!"

## AULD LANG SYNE

Should auld acquaintance be forgot,  
And never brought to min'?  
Should auld acquaintance be forgot  
And days o' lang syne?

For auld lang syne, my dear,  
For auld lang syne,  
We'll tak a cup o' kindness yet,  
For auld lang syne.

Robert Burns

## ALMA MATER

Alma Mater, Lincoln High School,  
Hail to thee, maroon and gold.  
We will cherish thee and laud thee  
As thy glories oft are told.  
We will cheer thee and revere thee  
As we sing thy praises o'er  
Alma Mater, Lincoln High School  
We will sing thy praise once more.

## OUR PRINCIPAL

WILLIAM WOLFARTH

A great asset to the faculty and students of Lincoln High School is our principal, Mr. William Wolfarth.

A native Cantonian, he came to Lincoln first as a student, then as a teacher, and now as principal.

He graduated from Otterbein College in 1936 with an A.B. Degree and from Duke University in 1942 with an M.A. Degree. While at Otterbein he was an active participant in all sports, was president of the student council, Pi Beta Sigma Fraternity, and the men's glee club. He was also editor of the newspaper and yearbook.

In 1936 he came to Lincoln for his first job as a teacher. He taught English and Commerce and Industry. Besides his teaching duties, he was assistant coach, dean of boys, and in charge of publications.

In 1943 he was called to serve his country.

After his discharge in 1946 he came home to Canton and took a position as principal of West North School and Director of Audio-Visual Education. In 1950 he was appointed the full time Audio-Visual Director.

Mr. Wolfarth came back to Lincoln in 1954. He says, "Lincoln is my favorite school and it has given me a great deal of satisfaction to complete the cycle from student to principal."

"Thou wert my guide, philosopher and friend." —Pope

## SENIORS

LEFT TO RIGHT: Sandra Froelich, Dennis McFadden, Dale Grinstead, and Tom Williamson.

As we near the close of our high school days we have the satisfaction of knowing that we are far better educated than we were as Freshmen. On leaving Lincoln High we are richer also in fond memories and pleasant friendships. We have had experiences these past four years that we will hold dear the rest of our lives. Looking back on our freshmen year we remember those first small achievements that were the basis for greater success in the following years. When we were sophomores Lincoln's football team was city champion and undoubtedly the big moment of our Junior year was the prom. This past year above all will long be remembered, the maroon and gold party conventions followed by the election of our class officers, Dennis McFadden, President; Tom Williamson, Vice President; Dale Grinstead, Treasurer; and Sandra Froelich, Secretary: was an exciting episode. The Senior Party, our last prom, and, of course, our last big event, Commencement, are just a few of the unforgettable moments that the Class of '56 will long remember.

"Life works out a pattern on the Tapestry of Time. The threads of hope, of love and grief, of fear and faith sublime—of happiness and bitterness, of joy and misery—and stitched into the great design of human destiny.

Within so vast a frame, our tiny patch we cannot see. To close we stand to trace the pattern on the tapestry . . . But someday, looking from afar, perhaps we shall behold—Our little bit of the design; our own small thread of gold."

We'll always remember Christmas 1955.

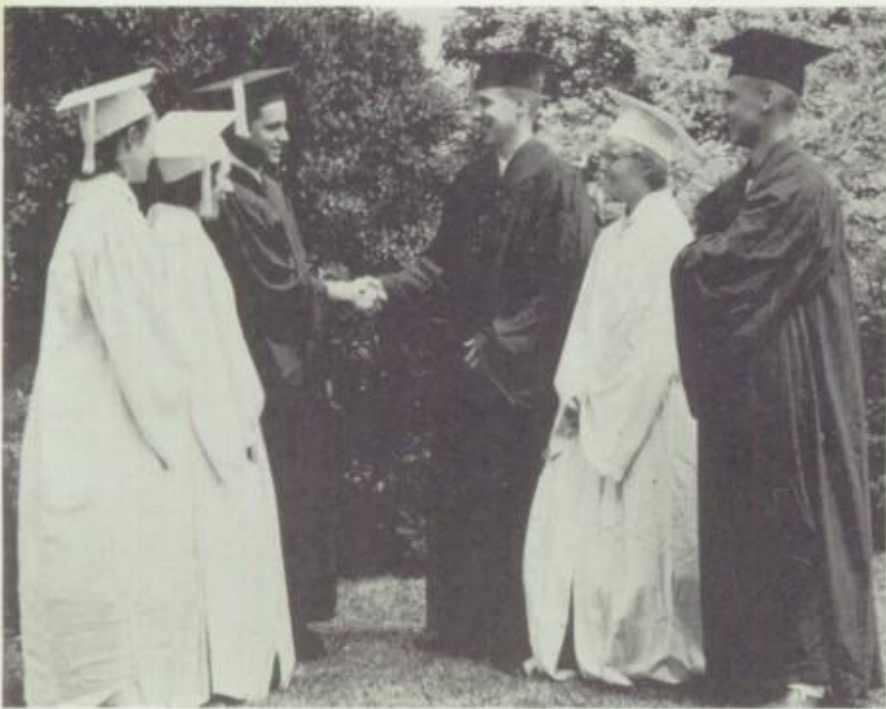

Senior Problems? No problems here!

The Seniors were measured for their caps and gowns

The great day finally arrived.

Concentration was the key word on Senior Test day.

An enjoyable time was had at the prom.

The grand March especially was fun.

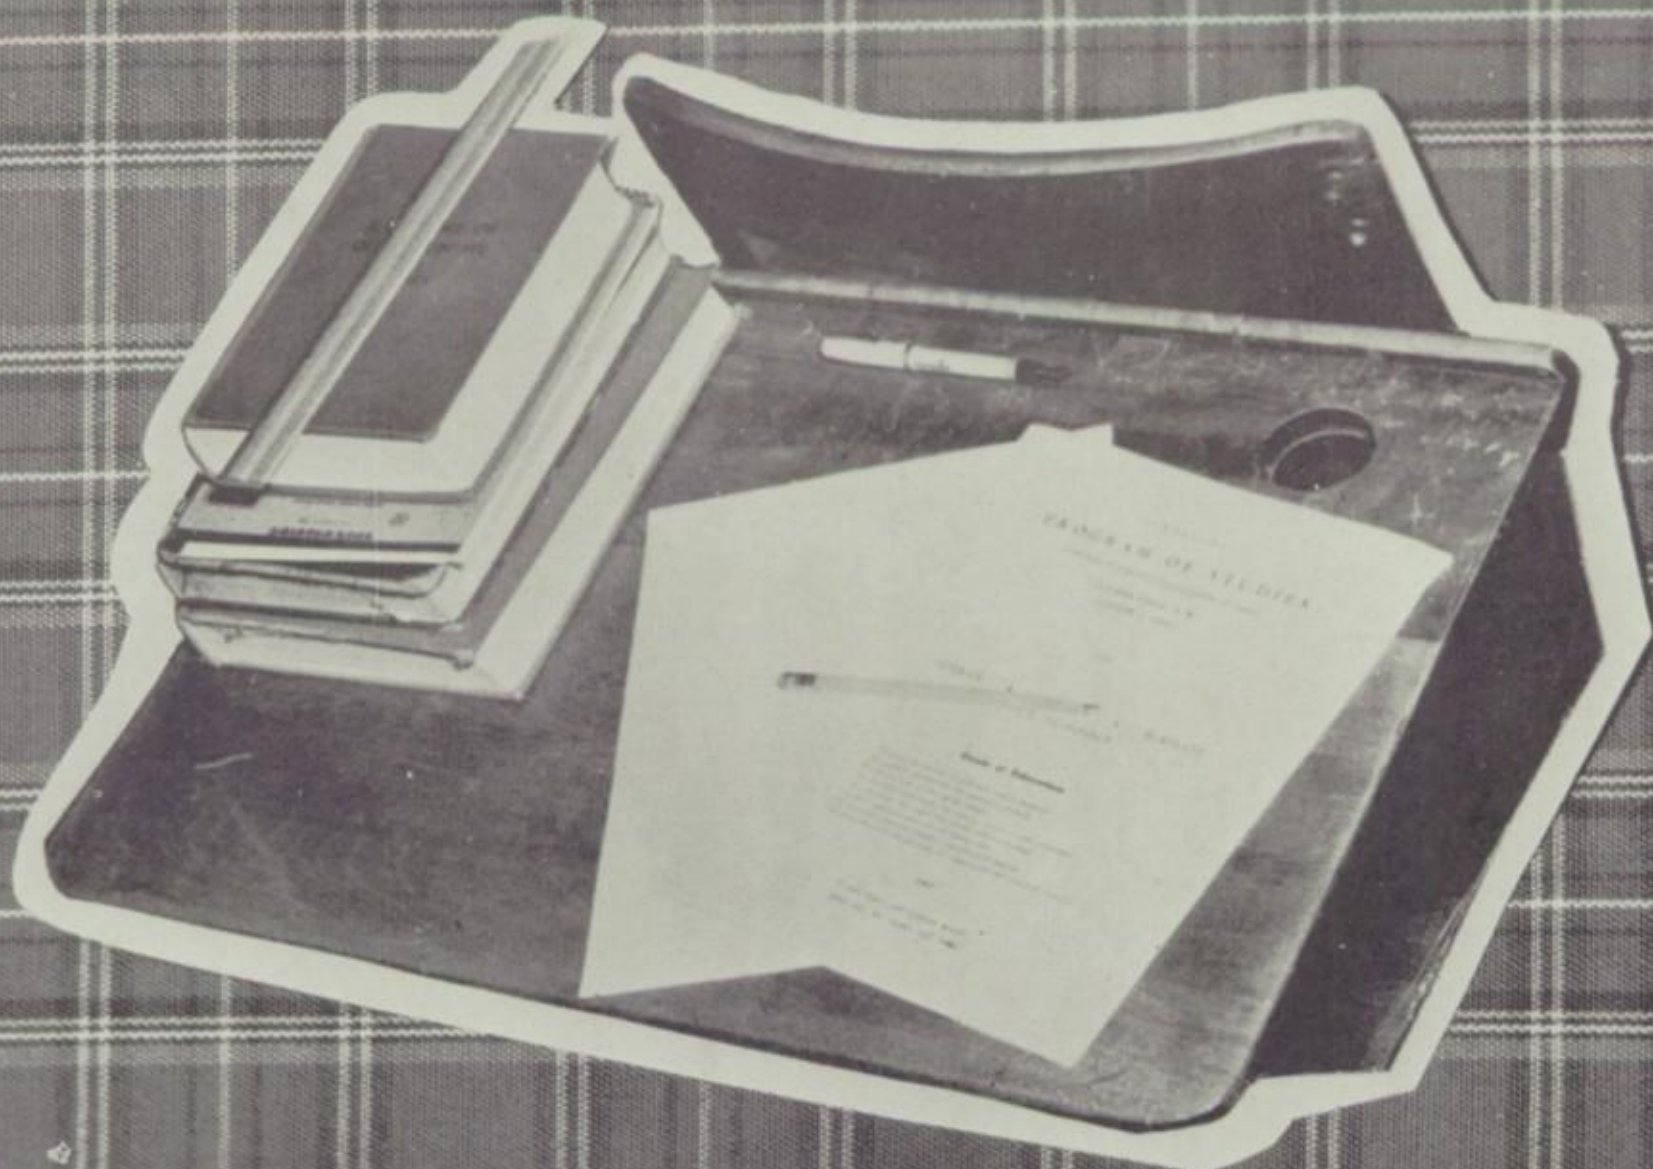

The candidates made their campaign speeches.

. . . and we conducted a Democratic Election.

## JUNIORS

LEFT TO RIGHT: Don Vogelsang, Virgil Stroia, John Farrall, Dean Biris.

The class of 1957 has much to its credit for its three years in the halls of Lincoln. They are outstanding in the A Cappella Choir, on the football and basketball teams, and in club activities.

They did themselves proud with the first party of the year, "The Halloween Hop".

The grand climax of the year was the Junior-Senior Prom held at the Moonlight Ballroom. The juniors showed their skill in entertaining the seniors as guests, making the seniors' last party, one they will always remember with pleasure.

From the masculine portion of the class, the juniors chose their leaders: Virgil Stroia, President; Don Vogelgesang, Vice President; John Farrall, Secretary; and Dean Biris, Treasurer.

## SOPHOMORES

LEFT TO RIGHT: Linda Chismar, Treva Kines, Tarry Taylor, Joyce Wolcott.

Snow Horse made by Bob Horn.

The sophomores in their second year at Lincoln High School are finally becoming adjusted to the routine of school life. They now, are more active in sports, clubs, and choir. Participating in school activities and functions have given them a feeling of belonging to our school.

At the "Sea Bottom Bounce", their class party, and main project for the year, they became better acquainted and had a wonderful time. Everyone enjoyed the fine entertainment and, of course, they loved the refreshments.

The officers elected by the class of 1958 were Linda Chismar, President; Treva Kines, Vice President; Joyce Wolcott, Secretary; and Tarry Taylor, Treasurer.

## FRESHMEN

What Lincoln is tomorrow depends on the freshmen of today. During their first year at Lincoln High School, the freshmen made a fine showing.

Their April party served as a mixer where they acquired many new friends and became more familiar with the ways of their new school.

The freshmen had a year of diversified activities and there were many students who were outstanding in school affairs.

The officers of the class, Veronica Sima, President; Fritz Massouh, Vice President; Jeanne Wilson, Secretary; and Fred Keller, Treasurer; have done much to establish their class in Lincoln High School.

The Kirbys come unexpectedly!

This hilarious comedy thrilled one of the largest crowds ever to attend a school play at Lincoln.

At first the Sycamores seem mad but it is not long before we realize that, if they are mad, the rest of the world is madder. In contrast to the lovable Sycamores, who take life as it is and enjoy it, are the unhappy Kirbys.

Tony, the attractive young son of the Kirbys, falls in love with Alice Sycamore and brings his parents to dine at the Sycamore home on the wrong evening.

Donald, Rheba's boyfriend, is sent out for cheap food as Rheba begins to prepare some of the left overs. At this time Alice discovers that marriage with Tony is out of the question.

Tony, who knows the Sycamores are right and his people wrong, will not give up. In the end, Mr. Kirby is converted to the happy maddness of the Sycamores since he happens in during the visit of an ex-Grand Dutchess, who is earning her living as a waitress.

This heart warming comedy introduces an all school cast.

When Kay announces her engagement to Buckley Dunstan, the family accepts it very readily, excepts for Mr. Banks, who is in a dither. Kay and Buckley decide on a small wedding with just a "few" close friends. As the time passes the whole family starts making their own list and then the trouble begins.

Mrs. Banks isn't satisfied with sandwiches and lemonade, so she calls in a professional caterer. Besides professional florists, furniture movers, dressmakers, and the rest take over with Mr. Bank's secretary taking charge of the list of friends and relatives.

After letting her temper get the best of her, Kay calls off the wedding and Buckley leaves in despair, forgetting the lists of guests his family has made.

The quarrel is patched up and preparations proceed. The house is cleared and all are rushing around to do last minute odd jobs. But as always it has a happy ending with Kay leaving for the church with her father.

Lincoln opened the 1955 Track season by finishing third in a field of eight at the North Canton Relays, behind Louisville and Greensburg.

The Lion cindermen were defeated twice at the hands of the Alliance Aviators by the identical scores of 39-79. Firsts were by John Farrall, discus, and Larry Ellison, high jump.

Winning 12 of 14 events, we triumphed over the Timken Trojans 87  $\frac{1}{3}$  - 30  $\frac{2}{3}$ . Ellison won four firsts.

Pole vaulter L. Wetzel is up and over.

It's D. Felton and Timken's P. Parker in a close finish.

S. Secest breaks the string far ahead of his nearest competitor.

A stand out at the broad jump is L. Ellison.

We again ended third in a field of eight at the second North Canton Relays. This time after Louisville and Lehman. Sophomore star, Larry Ellison was presented a trophy for individual effort.

In the All City Meet we compiled 50 tallies to finish third  $1\frac{1}{2}$  points behind Lehman. McKinley defended its crown.

A triangular meet was won by the Massillon Tigers, Lincoln second and Lehman last.

Scoring only 4 points in the Canton Relays our team finished eighth, to end a fair season.

After a vain attempt the Lions lose the ball.

"Play up, play up, . . .

A free ball and many hopeful recipients!

Possession of that ball is very important.

The 1955-56 basketball team is one of which we may be very proud. Two records fell by the wayside during regular season play. We won eleven games, breaking the mark of ten set by the 1941-42 and 1953-54 teams. We compiled 1007 points, dropping the 1953-54 teams record of 974 points.

This young quintet was favored in only six of its seventeen games, but that meant little to a team with determination. Hard work has made this campaign a successful one.

A high spot in the year was a 76-52 romp over the same Youngstown Chaney team that downed the Lions one year ago. This was only one of our surprising upsets. We also handed North Canton one of its two season defeats. In close games we beat Louisville, Minerva, and Sebring, all members of the Tri-county league.

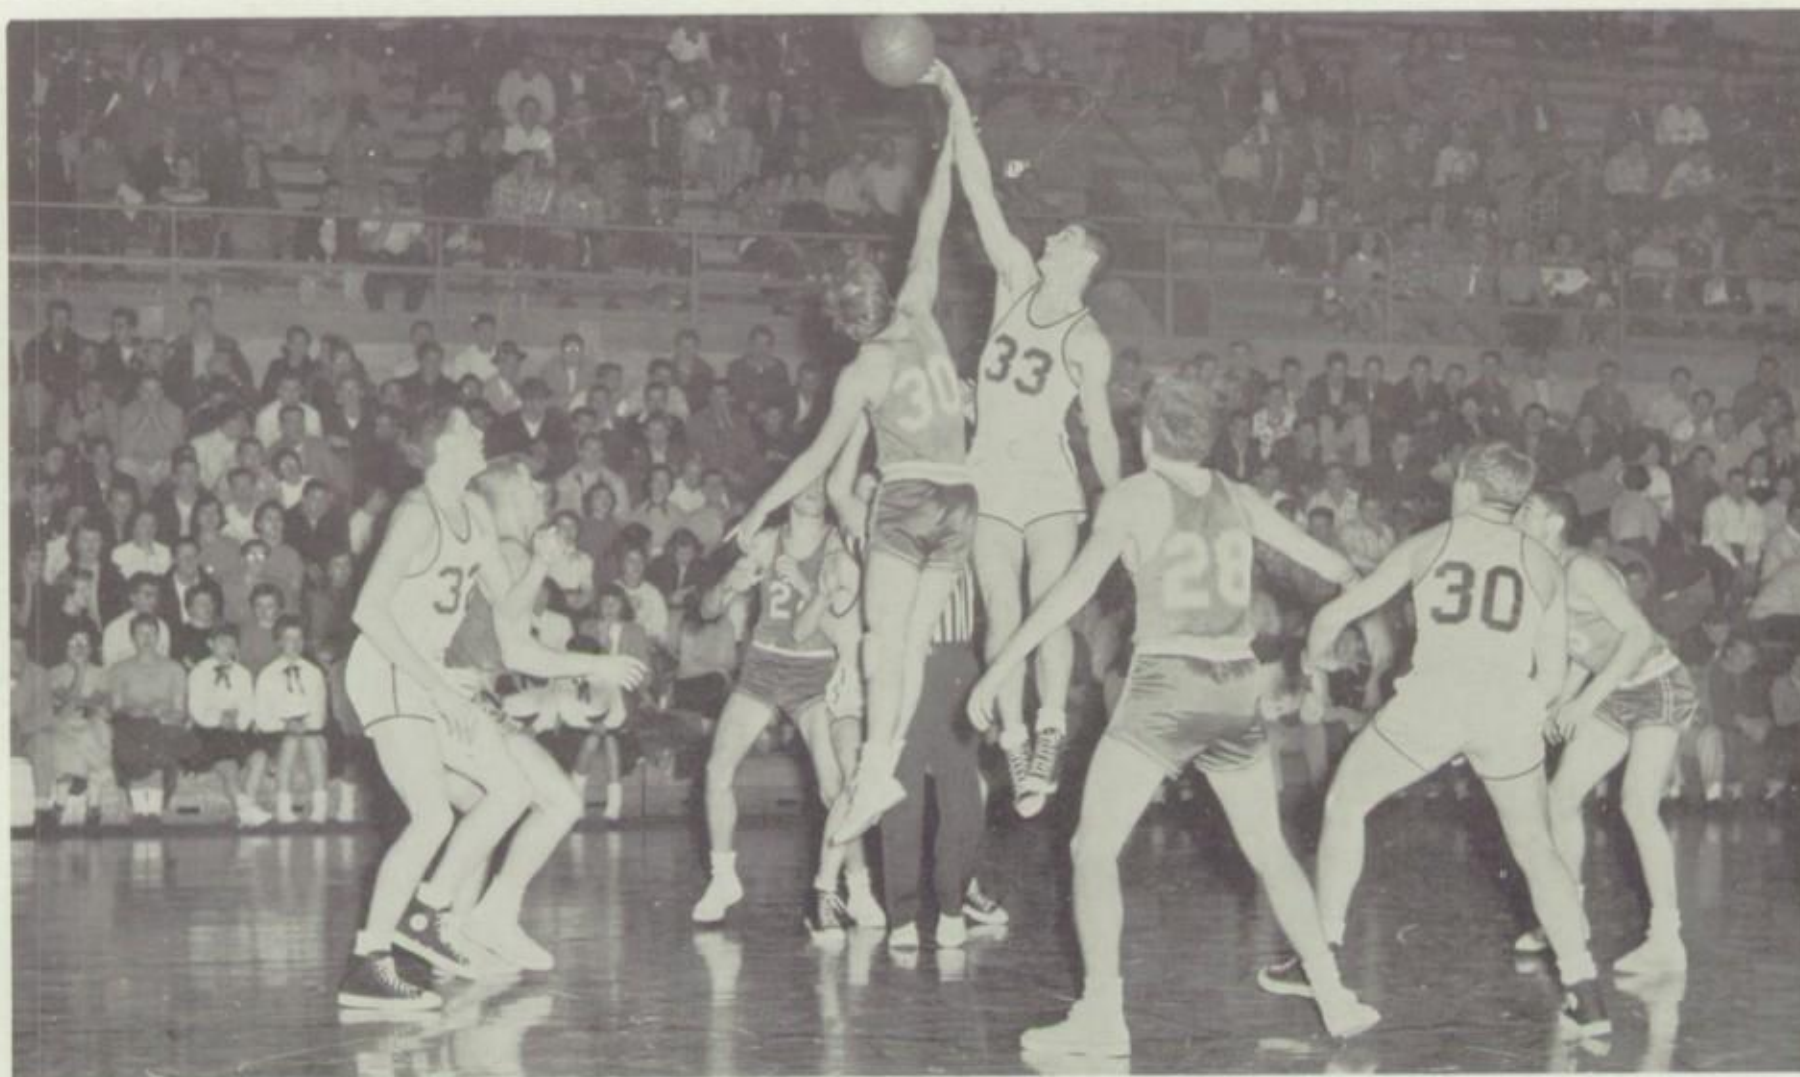

This year we proved we could come from behind to win. This feat has not been accomplished at Lincoln for a long time.

Our losses came at the hands of Canton's Big Three, Canton South, Timken, and McKinley and three other powerful area teams.

The season finished with our winning the Hatchet Trophy from Lehman.

The well rounded team had only one senior and the starting array was composed of one sophomore and four juniors.

The first tip of the season goes to Lincoln.

... and play the game." —Newbolt

## CO-CAPTAINS

Tackle D. Mulheim.

The 1955 football season was one in which we encountered some of the top teams of the state. We won three of our nine games.

In the first game we emerged victorious over the Akron North Vikings, winning by the score of 26-0.

The going was rougher in our next three games. A rain-soaked crowd of ten thousand saw, perhaps, what was the best play of the season when Chuck Dinkins made a spectacular pass to Larry Ellison for our lone touchdown. Don Mulheim was honored as an outstanding player by the Massillon Jaycess.

The game with our hatchet trophy foes from the Hilltop school was a disappointing one. The Lehman boys took advantage of our poor blocking to maintain possession of the hatchet.

Although we were the first team to score upon the McKinley Bulldogs, we were never in the game. They went on to an undefeated season and the state championship.

We got back on the victory trail by easily trimming Canton South 32-0 at the South Stadium.

After losing their first game, Columbus North made us their fourth straight victim in a game at Columbus.

The Youngstown Chaney team was no match for Leo's Boys as our bench was emptied in our 42-0 romp.

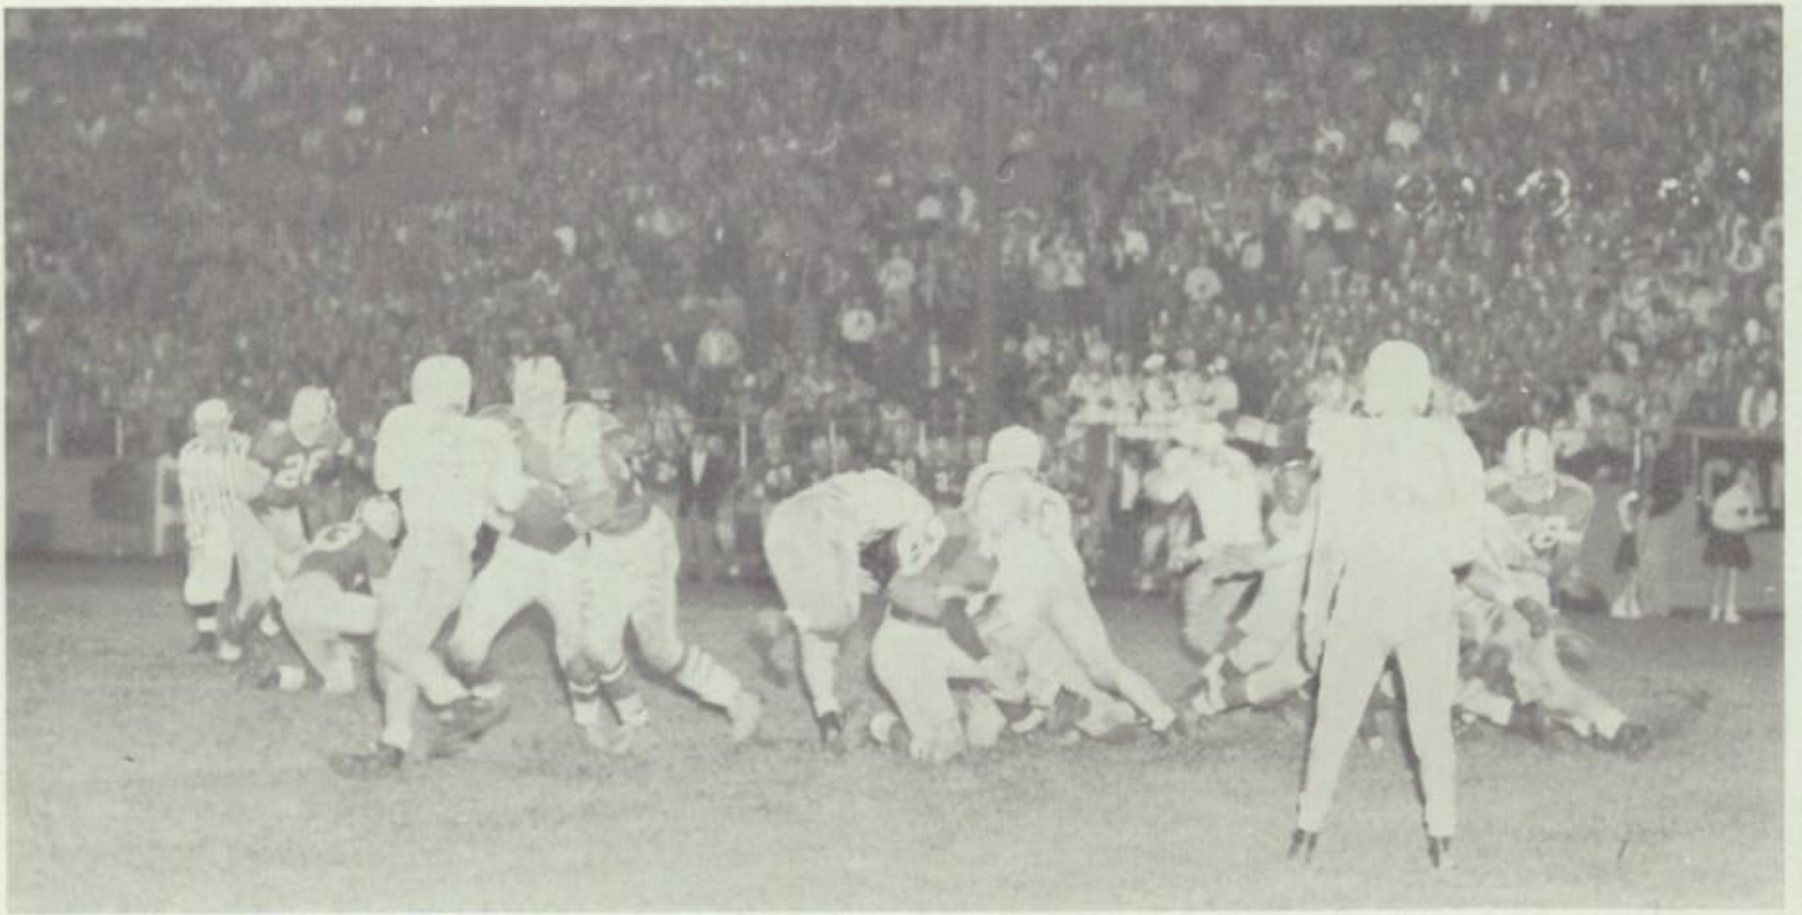

We finished our season by losing to the powerful Alliance Aviators and Timken Trojans.

Our record was not impressive but this young team gained much needed experience.

J. Care takes the pigskin for a gain as G. Copeland, D. Vogelsang, and T. Ross block for him.

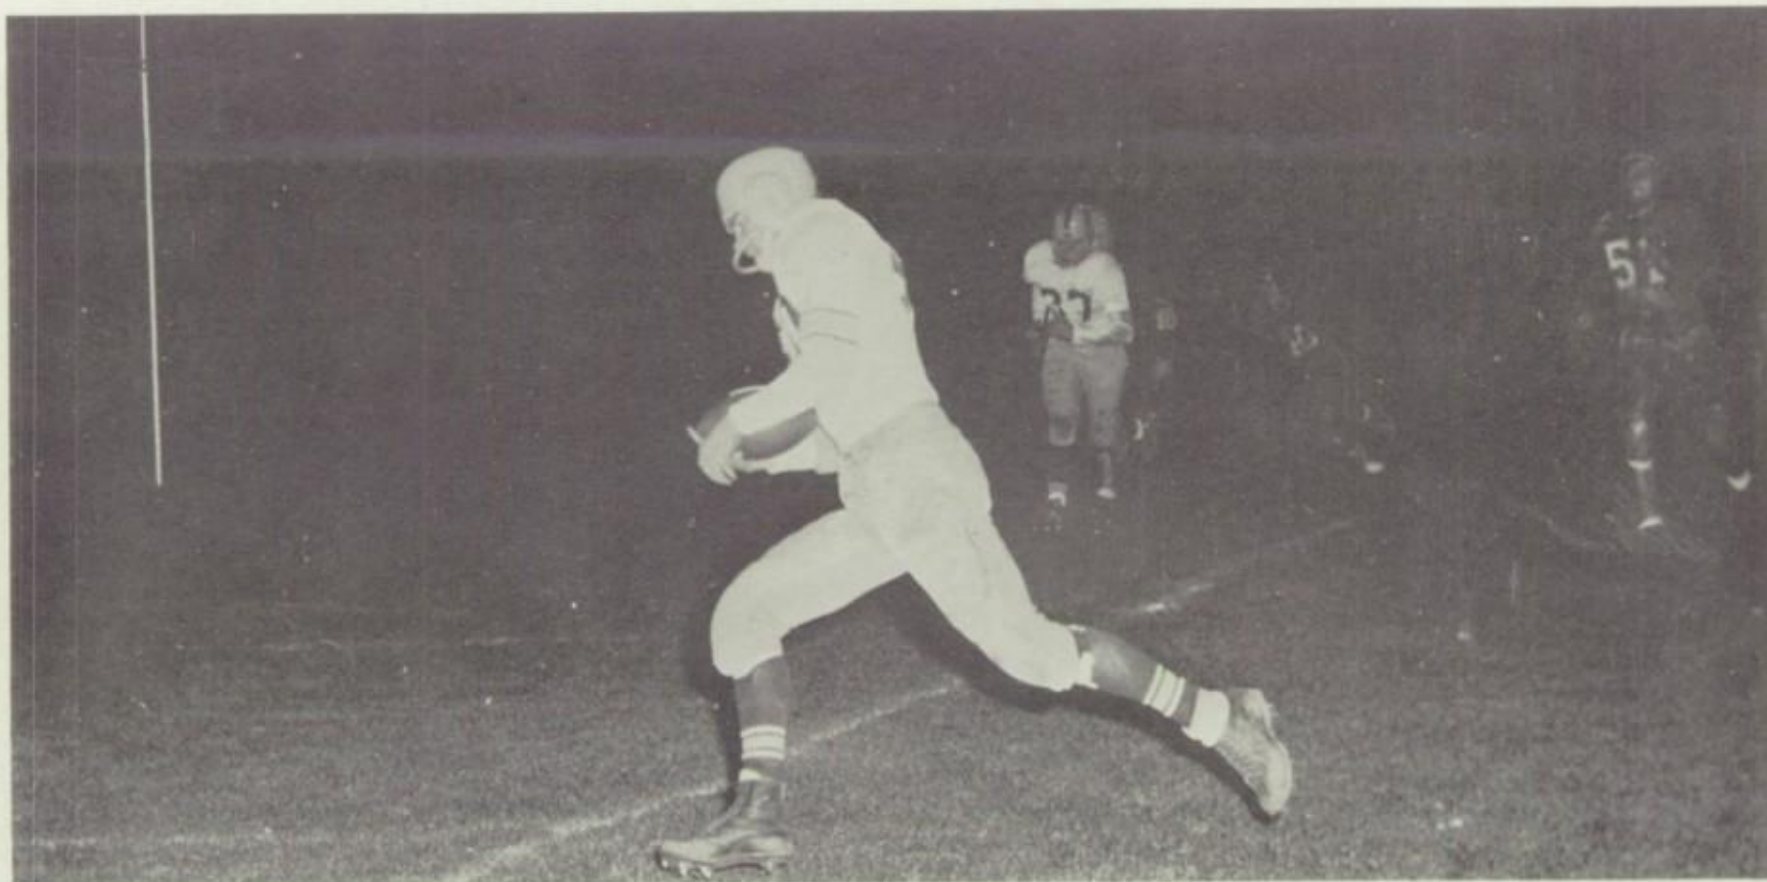

The extra point is attempted by T. Ross as the opposition is successfully blocked.

"What one has, one ought to use; and whatever one does, . . .

Tension builds along the sidelines.

L. Ellison scores again as G. Copeland looks on.

. . . He should do it with all his might." —Cicero

## America's top top secret

The United States Government has a lot of closely-guarded secrets—weapons, strategies, ways to fight communism. But of all of them, there's one that's more jealously guarded than all the rest. And *you're* the only one who knows what that secret is!

One of your rights as an American is the right to a secret ballot. And you alone know how you mark your ballot. No one sees it, no one can influence you. It's your secret.

In the Red-dominated countries, your vote—if you get one—is about as secret as a brass band playing in a greenhouse. You usually have only one candidate to vote for. A group of sharp-eyed officials checks your ballot to see that you voted the "right" way.

Some people, even in this country, think that that's the way elections should be run. Most Americans don't agree and it's up to every one of us to see that our ballots remain secret. If we let the secret ballot get away from us, we can say goodbye to all our American rights—freedom of speech, freedom of religion, freedom of press and all the others.

How can we preserve these freedoms? By speaking out strongly when we see them endangered. By using our secret ballot every election day to keep America free. Remember, they're *your* rights, so treat them *right*.

### DO YOU KNOW YOUR RIGHTS?

- Right to secret ballot
- \*Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- \*Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- \*Right to know if your union officers are Communists
- \*Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- \*Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- \*Right to refuse to permit the "check-off" of union dues
- \*Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- \*Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- \*Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- \*Right not to be fired by union leaders
- \*\*Right to vote on company's best offer

\*These are rights you enjoy under the Taft-Hartley law.  
\*\*This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

TREAT THEM RIGHT!**
